HARDTOP

FINMAR HARDTOP

15 E

The Finmar boats follow a straight and safe course. By taking part in races for speedboats with great success for several years Finmar has gained valuable experience which has been applied in every Finmar boat.

The hull is made of glass-fibre-reinforced plastic and it is of a sturdy and solid construction. Finmar Hardtop is a fast all-round boat with 2—3 berths. Finmar Hardtop is as standard equipped with navigation lights, cleats, fairleads, mattresses, cooking facilities with sink/wash basin, cable steering system, steering wheel of plastic, fuel gauge, storage space, hundred-liter fuel tank and bilge pump.

Hardtop is produced for inboard-outboard and outboard engines.

Finmars leading position in design and construction and high quality in workmanship together with the well-proven seaworthiness of the Finmar boats is an extra privilege to the Finmar boat people.
